

**Constellation Consulting, LLC
named 2022 Fastest Growing Company
by the *Albuquerque Business First***

ALBUQUERQUE, August 11, 2022 – Constellation Consulting, LLC has been named a 2022 Fastest Growing Company by the *Albuquerque Business First*. According to the publication, the honor recognizes some of New Mexico’s companies that have experienced tremendous growth over the three-year period from 2019 – 2021.

Constellation Consulting Owner & CEO Erin Marshall shared, “I am so proud of our team at Constellation Consulting, LLC for being recognized one of the fastest growing companies in New Mexico! Our work provides a platform for skilled professionals to join together in 'constellations' for undertaking large, complex projects aimed at improving places to work, live and play in our state and nation.”

Suzanne Lawson, Vice President for Constellation Consulting, added, “We appreciate and thank our clients and team members for their continuing support to build better communities for us all.”

Constellation Consulting, along with the other Fastest Growing Companies honorees, will be recognized by the *Albuquerque Business First* at a special celebration in September.

Constellation Consulting is a cooperative of consultants in New Mexico with a wide range of skills and experience in: Convening Work Groups and Community Collaboratives; Session Facilitation and Custom Training Development; Strategic Planning and Work Plan Development; Data Evaluation and Logic Model Development; Community Program Development and Implementation; Conference and Event Management; Advocacy/Policy/Lobbying Activities; Diversity/Equity/ Inclusion/Belonging, and Health Equity Program Work; and Health Systems and Systems Change Work. Constellation Consulting specializes in projects that allow our consultants to share their knowledge, build collaborations, and implement change in New Mexico and beyond.
